

LEADERSHIP ACADEMY

Inspiring

THE NEXT GENERATION OF SPORT LEADERS

APPLICATION PROCESS

Any Midlothian pupil aged 16+ with an interest in a career in sport can apply for the Leadership Academy. An online application form must be completed and submitted, and applicants will be subject to selection by High School PE Departments & Active School Coordinators.

Successful pupils will then be invited into the Leadership Academy via an agreement letter.

Pupils may be undergoing a minimum of National 5 PE and working towards leadership & development modules - Dance Leadership, Sport & Recreation and Sports Leaders although this is not essential.

Pupils who wish to apply should have a keen interest in pursuing a career in sport following their school studies.

PROGRAMME SUMMARY

The purpose of the **Active Schools Leadership Academy** is to develop leadership experience and employability to aspiring young people.

Participants will be asked to commit to a full calendar of training/workshops. All training will be delivered from a neutral venue and will take place after school on a Friday.

Following this, pupils are expected to undertake a placement assisting with sport within a school or community club setting for an agreed period.
